KAYA, THIS IS FREMANTLE

Fremantle is the most eclectic and spirited seaside destination in the world. Fremantle or 'Freo' is Perth's Old Town. It's a maritime city with spirit and soul, full of vibrancy, colour and culture.

In the Nyoongar language the Fremantle area is called Walyalup—meaning place of the Walyo or Woylie, a small brush-tailed bettong or kangaroo rat.

The local Whadjuk people, part of the larger Nyoongar Aboriginal nation in the southwest of Western Australia, have a connection to country that dates back over 50,000 years.

Chart a course through a coalescence of festivals, museums, UNESCO World Heritage, hundred-year-old markets and a soundtrack of sails and rigging in the sea breeze.

Experience an otherworldly collision of musical and creative culture, and world class food and wine.

Meet local characters who will lead you on adventures through historic streets, hidden laneways and salty ports on your way to Rottnest Island / Wadjemup.

It's an adventure not found elsewhere in Australia; swim at a beach in the middle of the city and have a cocktail brought right to your sun lounge. Then weave your way through boutique shops, small bars and street art in the middle of one of Australia's largest heritage listed precincts.

"Wanjoo nidja Walyalup" THIS IS FREMANTLE

NEIGHBOURHOODS

Fremantle is made up of 10 neighbourhoods. Each has its own distinct personality, with plenty to explore.

DOWNTOWN

Heritage shopfronts with upstairs offices, warehouses overlooking narrow streets, churches and Victorian sporting pavilions are a reminder of the city's strategic importance during the 19th century gold rush.

EAST END

The gateway into Fremantle from the North. East End spans from Queen Street and Walyalup Koort through to the Swan River (Derbal Yerrigan), Rainbow and the Fremantle Arts Centre in the north.

FISHING BOAT HARBOUR

An award-winning entertainment precinct and home to a commercial and recreational fishing industry on the edge of the Indian Ocean.

Bathers Beach, Fremantle's inner-city beach is the first place in Western Australia where you can sit and have a glass of wine or beer right on the beach.

Downtown | The Old Synagogue

West End | High Street

Waterfront | Sculpture at Bathers, Kidogo Arthouse

Rottnest Island / Wadjemup | Longreach Bay

NORTH FREMANTLE & LEIGHTON BEACH

A peninsula of classic Australian white sandy beaches, clear turquoise waters and north of the Swan River, North Fremantle is the undisputed home of Western Australia's live music, Aussie pubs, and a culinary scene enjoyed by royalty.

ROTTNEST ISLAND / WADJEMUP

Western Australia's holiday island is a 25 minute ferry ride from Fremantle. Experience stunning white beaches, brilliant blue waters and swimming holes, abundant marine life and the world's happiest animal - the quokka.

SOUTH FREMANTLE

Popular South Beach is just a short walk from some of South Fremantle's coolest small bars, restaurants, bakeries and cafes. There's even a brewery. Boutique shoppers will love the independent stores. Head due South along South Terrace and the Cappuccino Strip.

WALYALUP KOORT

Walyalup Koort is the heart of Fremantle in our port city's original town square. The Fremantle Visitor Centre, amongst trees-lined, heritage streets is a great first stop for visitors.

WATERFRONT

Where the Indian Ocean meets the Swan River. Fremantle's waterfront is home to portside Victoria Quay, the Round House at Arthur Head, and Bathers Beach Art Precinct.

WEST END

One of the best preserved and most intact towns built during the 19th century gold boom era in Australia. Stunning streetscapes are lined with restaurants, cafes and artisan boutiques.

WRAY AVENUE

A lively local neighbourhood where five streets meet. Wray Avenue marks the halfway point between Downtown and South Fremantle and offers plenty to satisfy eaters, drinkers and shoppers.

FREMANTLE'S TOP TEN ATTRACTIONS

Discover why there's nowhere else quite like Fremantle! Perth's port city is bursting with character and packed full of unique attractions.

1. FREMANTLE MARKETS

Soak in the vibrant market atmosphere at Fremantle's original municipal market, which takes up an entire block at the southern end of the 'Cappuccino Strip'. Experience over 100 years of history as you uncover hidden treasures and taste global cuisine to a soundtrack of local buskers. Visit on Friday, Saturday, Sunday and Monday public holidays (9 am–6 pm).

2. FREMANTLE PRISON

Fremantle Prison is a UNESCO World Heritage site. Built by convict labour in the 1850s and used as a prison until 1991, you can explore different areas and themes of the prison's history through a range of tours. 3. FISHING BOAT HARBOUR

Fremantle's working harbour is lined with fresh seafood restaurants, a steakhouse and the famous Little Creatures Village. Ride the ferris wheel for spectacular views over the city, or push it up a notch with parasailing or a jet boat adventure!

4. WA SHIPWRECKS MUSEUM

6. FREMANTLE'S STREET ART

Fremantle is renowned for its street art! Colourful murals adorn the port city's walls, streets, fences and warehouses from north to south. Top spots include Paddy Troy Mall, Bannister Street. And don't miss Anya Brock's Zebras and the East West mural in South Fremantle.

Fremantle Prison

10 AM | FREMANTLE PRISON

Park on Parry Street, look for the stairs that lead up to Fremantle Prison or walk around to Fairbairn Street Ramp. Entry to the main gatehouse area is free and includes prison gallery, convict depot and museum. Or book in for one of the prison tours.*

Facing west and heading down the Fairbairn Street ramp, you'll see a sculpture depicting a group of convicts and pensioner guards on their arrival to Fremantle aboard convict transport ships.

Look for The Mark, a sculpture by Robert Hitchcock at the Parry Street roundabout. It recognises one of the most famous high-flying leaps made by John Gerovich in the 1956 WA National Football League preliminary final.

Fremantle Markets

Little Creatures

11.30 AM | FREMANTLE MARKETS

The entrances on Parry and William Streets lead you into the grocery and provedore section of the famous Fremantle Markets. The markets covers an entire city block and is one of the few markets in Australia that continues to be used for its original purpose. It's a feast for the all the senses with fresh groceries, street food and groceries. Once into the hall discover purveyors of fashion, art, hats, jewellery and much more.

The southern entrance opens out onto South Terrace and the iconic Cappuccino Strip. Turn right and walk past the Sail & Anchor Hotel, home of a modern day craft beer revolution. The aromas of Fremantle's European influences will hit your senses as you walk past Italian eateries. Time for lunch.

12.30 PM | WEST END & THE ROUND HOUSE

South Terrace curves into Market Street and the West End Precinct, it's one of the best preserved nineteenth century port city townscapes you'll see with over 200 buildings making up one of the largest heritage areas listed in Western Australia.

The National Hotel at the corner of High Street and Market Street is a stunningly restored traditional Australian hotel and the unofficial entrance to the West End. Stop for a beer and check out the Staircase Gallery on the way up to the roof top bar. Returning to the ground floor and back to High Street head due west past some of Fremantle's best high street shops. Cross the railway line at the very end of High Street and make your way up the stairs to the Round House, Western Australia's oldest public building.

1.30 PM | FISHING BOAT HARBOUR

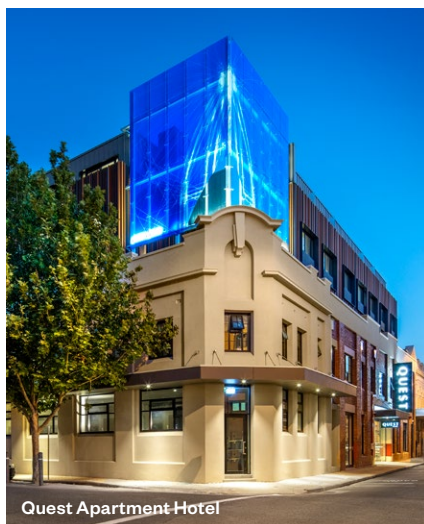

Listen out for the firing of the cannon and time ball dropping at the Round House at 1 pm sharp before you head down the steps at the southern end of the lawn. Continue south through Fishing Boat Harbour and a well-earned pint of Little Creatures ale. If you have time take a pic with the Love Freo sculpture.

**Entry fees apply.*

New Zealand fur seal

DAY 1 | MORNING

Drop your bags at your hotel and head straight back out for your first adventure aboard a prebooked island tour or charter to explore Carnac or Rottneest Island.

Carnac Island is an A-class Nature Reserve between Garden Island and Rottneest Island teeming with wildlife including sealions and Bottlenose Dolphins.

DAY 1 | EVENING

Return to Fremantle and freshen up for dinner. Follow the coastal vibes to Fishing Boat Harbour and find seafood restaurants with waterfront views. Then squeeze in a local beer at the famous Little Creatures Brewery or Gage Roads Brew Co - you are in the home of Australia's craft brew revolution!

DAY 2 | MORNING

Catch an early morning ferry to Rottneest Island to squeeze in a full day of exploring on WA's favourite holiday island. You'll be there in 25 minutes. Ferry services by Rottneest Express* and Sealink* run to and from the island daily from B Shed on Victoria Quay.

Rottneest Island Settlement's famous bakery should be your first stop. Just a short walk from the Thomson Bay jetty, it's a great spot to pick up breakfast and pack your picnic lunch.

Hop on off the Island Explorer Bus to see the island at your own pace. It leaves every 30 minutes from 19 different stops, so you can reach all the top beaches, bays and Wadjemup Lighthouse. Keep an eye out for the world's friendliest marsupial - the quokka! You might also spot a colony of New Zealand fur seals at the western end of the island.

DAY 2 | AFTERNOON

Catch the ferry back to the mainland and enjoy stunning view of Perth's coastline. See port and starboard lighthouses welcoming you back to Fremantle, and the WA Maritime Museum glittering in the afternoon light.

DAY 2 | EVENING

Head up to rooftop of the National Hotel for a pre-dinner drink and take in 360-degree sunset views over Fremantle's West End. On a clear evening, you can see all the way to Rottneest. Then treat yourself to dinner at Lions and Tigers for first-class Anglo-Indian cuisine.

After dinner drinks? There are plenty of small bars to choose from in the West End: Ronnie Nights, Jungle Bird, Republic of Fremantle. For something quieter and completely unique, head west on High Street and left down Henry to knock on the door of Freo's very own pirate bar, Darling Darling.

DAY 3 | MORNING

A leisurely start with breakfast at Moore & Moore Cafe on Henry Street will set you in good stead for a Two Feet & A Heartbeat walking tour.

DAY 3 | LATE LUNCH

Covering some ground will leave you ready for lunch. There's a raft of delicious eateries lining Market Street, South Terrace and FOMO. If you're looking for something specific check visitfremantle.com.au.

DAY 3 | AFTERNOON

Walk off your lunch browsing the boutique shops along Market and High Streets in the West End for a memento of your adventures in Fremantle.

**Bookings essential for tours, ferry services and restaurants.*

FREMANTLE FOR TIME TRAVELLERS & HISTORY MAVENS

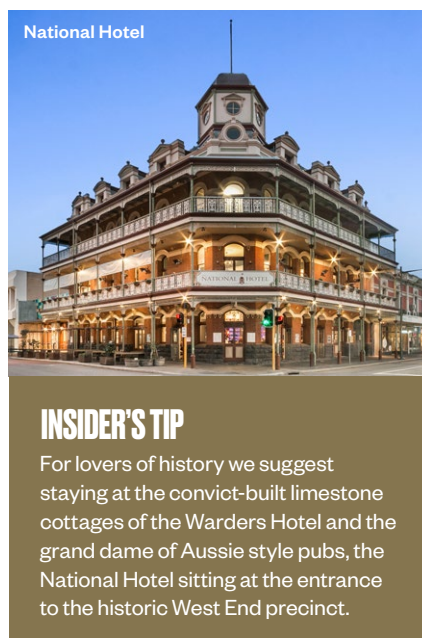

Spend 3 days in Perth's Old Town, the picturesque port of Fremantle. Explore the history of the Swan River Colony, convict-built hotels, cottages and museums, the story of Manjaree and a culture that dates back over 50,000 years.

West End

Emily Taylor

INSIDER'S TIP

For lovers of history we suggest staying at the convict-built limestone cottages of the Warders Hotel and the grand dame of Aussie style pubs, the National Hotel sitting at the entrance to the historic West End precinct.

DAY 1 | LUNCH

After checking in to your hotel make your way to South Terrace, Fremantle's famous Cappuccino Strip. It became the first place for alfresco dining in Western Australia when Nunzio Gumina applied in 1977 for an alfresco dining licence for his cafe Old Papa's (now Grill'd).

Turn right at the old Fremantle Technical College and head into Nunzio's Restaurant on your right. The very same Nunzio that kick-started the alfresco dining scene. Stop here for lunch.

DAY 1 | AFTERNOON

Walking along Essex Street on the left is the former Port Mill built in 1862 to mill flour for the Swan River Colony. The building is constructed of limestone quarried from nearby Arthur Head and now home to Whisper Wine Bar.

In front of the Esplanade Hotel, at the intersection of Essex Street and Marine Terrace is a blue ceramic tiled bollard marking the beginning of a public artwork by ceramicist Joan Campbell. The artwork outlines Fremantle's original shoreline at the time of the establishment of the Swan River Colony in 1829.

Walk west along Marine Terrace, with Esplanade Reserve to your left and the West End Heritage Precinct on your right. It's the largest single place to be permanently included in the Western Australia's State Register of Heritage Places.

Reaching the roundabout and crossing Cliff Street is the WA Shipwrecks Museum. The museum is recognised as the foremost maritime archaeology museum in the southern hemisphere. The museum is housed in the colony's original and convict-built Commissariat building. Within these walls are hundreds of relics from ships wrecked along WA's treacherous coastline including the famous Batavia (wrecked in 1629) and the de Vlamingh plate. Entry is by donation.

DAY 1 | EVENING

Emily Taylor*, within the Warders Hotel, or Tonic & Ginger* at The Old Synagogue on the corner of Parry Street and South Terrace continues the exploration of Fremantle along historic themes.

After dinner, wine lovers will enjoy Fremantle's newest small bar, Nieuw Ruin who offer a real pick-n-mix lolly bag of a wine list that's 300+ bottles strong.

DAY 2 | MORNING

Breakfast at the Moore and Moore Cafe on Henry Street. It's a contemporary cafe and gallery within a Federation warehouse building that was common in Fremantle's gold rush period. Place your orders at the laneway counter before finding a table in the outdoor courtyard or front room (the laneway is heritage listed!).

It's a 10 am start with the Two Feet & A Heartbeat Convict, Culture and Street Art* walking tour. This guided tour starts at Walyalup Koort and explores the West End, the Round House, Arthur Head and Bathers Beach, finishing at Fremantle Prison in time for a lunch at the cafe within the main gatehouse area.

DAY 2 | AFTERNOON

Fremantle Prison is a UNESCO World Heritage site so on the must do list for history lovers. Three tours*, Convict Prison, Behind Bars and True Crime commence hourly from the gatehouse area.

DAY 2 | EVENING

Dinner at Bread in Common on Pakenham Street. It's just one of the 250 heritage listed buildings in the West End precinct. It's described as a single storey, face brick Federation Free Classical style warehouse building. It was restored and adapted in 2014 and has taken out a string of architectural awards.

After dinner drinks at the Ball and Chain on the corner of Collie and Marine Terrace continues the history tour. The bar housed convicts before the Fremantle Prison was built.

DAY 3 | MORNING

A hearty breakfast and great coffee are on offer at either Hush or Breaks on High Street with the added bonus of being surrounded by the activity of a 19th century gold rush port city.

A short walk west and through the Whalers Tunnel will take you to the Manjaree Trail, a self-guided walking trail that speaks to the history of Manjaree, a place of meetings and culture of the Whadjuk Nyoongar people dating back 50,000 years.

**Bookings recommended. Check opening hours.*
